It has been another exciting month packed full of meeting inspiring people, experiencing their work and businesses. We have also received a lot of helpful feedback regarding our website and we have decided to focus www.interactivearts.com.au on Arts and Events and to move the Art Gifts and Art Cards to a variety of other outlets. One website currently under construction is www.notsocksandjocks.com and we are investigating the feasibility of a website www.iagifts.com (Interactive Arts Gifts) plus using a range of existing outlets both online and offline. Therefore if you notice some formatting and content changes over the next few months this is the reason, we appreciate your patience and understanding in this area. In the meantime check out our new blog <http://iagifts.wordpress.com/>

Tips n Hints

As this maybe the last time we have Art Gifts and Art Cards on the Interactive Arts website I thought I'd include my article about ideas to reduce, reuse and recycle when buying cards.

What's On

[August WSW](#)

Thank you to everyone that visited us at the August City Farm Artisan's Market, I love to meet people in person and have a chance to discuss what they're interested in. We recommend buying a takeaway coffee from the grower's market next door so you're prepared to browse all we have to offer at the indoor stalls. This month is on grand final day so come visit us before the big game.

Saturday 27 September 9am-1pm (we aim to be open by 8am the same as the grower's market)
1 City Farm Place
Lime Street, off of Royal Street, EAST PERTH
RIGHT NEXT to the Claisebrook Train Station
